

Scorched Feathers Digital Product License

Thank you for purchasing a Joey Poetry design digital product that you may use to create personal crafts and gifts for family and friends.

A limited conditional commercial license is granted exclusively to the digital product purchaser that allows the purchaser to create tangible products (e.g., shirts, mugs, bags, etc.) displaying the graphics with attribution signage using the graphic with QR code below. You may not, however, sell or distribute the digital product.

Joey Polisena sniffs books, magazines, and other paper things (there is brain-tickle in the fibers and ink). Of all the words pressed to her skin, her favorites are: Mom, Poet, and Friend. This former journalist embraced opportunities and developed into an IT instructional designer, and she uses those skills to help other artists achieve their dreams with technology.
